On August 10, 2010, the Orange County Health Care Agency (OCHCA) issued a letter approving the Corrective Action Plan (CAP) proposed by ARCO for cleanup activities at the above referenced site. Subsequent documents for preliminary steps of the CAP have been submitted by ARCO and reviewed by OCHCA. Implementation of the CAP began in April and OCHCA met with ARCO representatives recently to discuss progress towards remedial excavation.

On Tuesday, **July 26, 2011** the OCHCA will hold a public meeting to present an update of the ongoing progress toward completing the required cleanup activities. **This meeting will be held at the City Council Chambers, 211 8th Street, Seal Beach, starting at 6:00 PM.**

Topics that will be discussed include:

- UST removal
- Neighborhood remediation and additional soil vapor well installations
- Pre-excavation soil gas and sub-slab sampling
- Field work delays
- Dewatering activities
- Revised tentative start date of the remedial excavation
